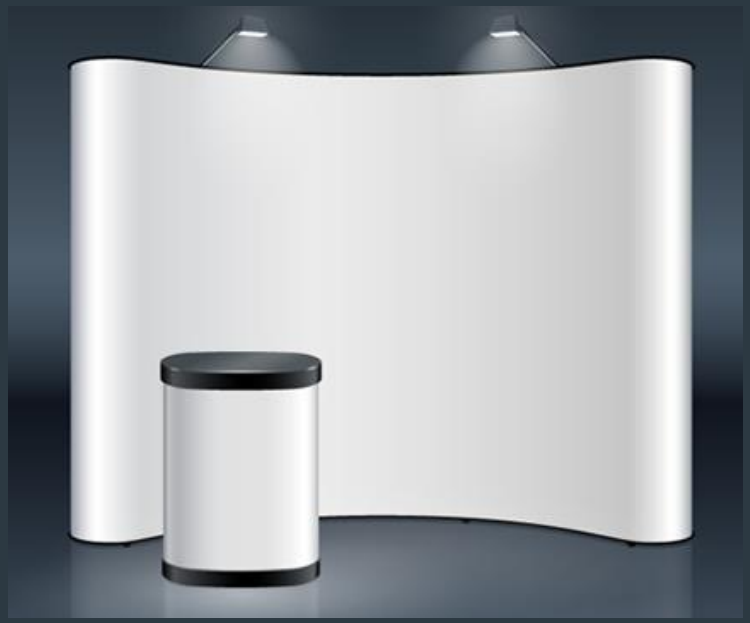
Damage Prevention Symposium

EXHIBITOR INFO – SOLD OUT!

February 13-15, 2019 - Sheraton on the Falls - Niagara Falls, ON



The 2019 ORCGA Damage Prevention Symposium, February 13-15, at Sheraton on the Falls, Niagara Falls, ON is a signature event for the ORCGA to discuss and forward Dig Safe initiatives, the CCGA Best Practices and damage prevention issues to protect Ontario's vital underground infrastructure.

Attracting over 260+ damage prevention management professionals and decision makers from across Ontario, this event will connect your brand to stakeholder groups such as municipalities, oil and gas, telecommunications, electrical transmission, provincial regulators, emergency management personnel, and other relevant industries.

No conference could be possible without the generous support of our Sponsors and Exhibitors, and, it is my pleasure to offer the following Exhibitor enhancements new for 2019:
Increased efforts to drive traffic to the Tradeshow floor;
Better promotion of social functions in the Tradeshow;
Complimentary Exhibitor company listing in the printed final program;
Recognition on scrolling presentation during event, all social media channels and event recap and thanks on ORCGA website.

In addition, take advantage of our newly created sponsorship opportunities to set your company apart from the rest.

See all 2018 event pictures by **clicking here**.

I look forward to seeing you in Niagara Falls and thank you for your ongoing support of the ORCGA.

Sincerely,

Douglas Lapp
President and CEO, ORCGA

Tradeshow Exhibition is your opportunity to:

- Forward brand awareness and positioning.
- Generate leads and sales revenue.
- Build partnerships and reinforce existing ones.
- Obtain competitor and industry intelligence.
- Network with industry colleagues.
- Support the Damage Prevention industry.
