Sharing of locates with subcontractors is allowed
Members must have a 60 day validity period for their locates
Two major parts is Dedicate Locator and compliance
Dedicated Locator has a lot of moving parts.
Certain regulations are in place for project owners and members responding to request
Project owners to
All agreements can be done in advance of filing of locates provide 90 day notice
Best Practices should include dedicated locator
- Compliance
Regulations being developed, effective start of 2023. Ministry conducted targeted consultation and feedback with industry.
If a member is going to be late delivering a locate they are required to notify OOC.
Bill 93 creates a process for excavators to seek damages from members for demonstrated financial loss.
Member is liable through OOC process
Based on a report OOC will make an assessment on a compliance level and lay a penalty.
- All members are included in Bill 93 with the exception of transmission pipelines.
- 90 Day Notice – OOC process is to gather information, identify members in the area, line everything up and transfer the process.
- OOC Dedicated Locator team – for information – ontarioonecall.ca/DL

Questions and Comments
